

Academic Programs

TLF's curriculum is designed to equip students along five (5) major dimensions: personal growth and development, community impact, outreach and evangelism, and counseling and ministerial. Such a focus is purposely intended to harmonize with the Lord's instruction found in Acts 1:8, that ". . . ye shall receive power after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth."

Our ultimate goal in aiding the spiritual growth and development of all believers is "that they might be called trees of righteousness, the planting of the Lord, that he might be glorified" (Isaiah 61:3).

True Light Fellowship School of Biblical Studies has revised its curriculum and it now includes the following diploma programs:
