

Faculty

The aim of our faculty at the True Light Fellowship School of Biblical Studies is to stimulate the development of spiritual growth in an environment conducive to study, discussion and application of Scripture.

The two fold thrust of the Great commission is evangelism (sharing the Gospel with non-Christians) and edification (teaching believers to become mature Christians).

Our teachers:

- Have a heart for God; must be Spirit-filled and spiritually mature.
- Have a working knowledge of the Bible
- Consistent prayer life
- Be faithful, available and teachable.
