

Welcome from Director

At True Light Fellowship School of Biblical Studies our purpose is to train servants of the triune God. We purpose to help you sharpen your mind, develop the skills entrusted to you, and be changed by the transforming grace of God. True Light is the place to dig deep into the Scriptures and to prepare for the overflow of ministry that results from a grateful heart. With the Apostle Paul, we "pray that you being rooted and established in love may ... grasp how wide and long and high and deep is the love of Christ" (Ephesians 3:17-18). We invite you to study with us and to come to know the True Light community as a place to nurture relationships that will prepare you, by God's grace, to change the world. As a community of faculty, staff, and students, our goal is to see God's servants trained for a lifetime of ministry.

True Light Fellowship School of Biblical Studies, since its founding 10 years ago, has remained strongly committed to the three-fold purpose of training servants of the triune God to walk with God, to interpret and communicate God's Word, and to lead God's people. In pursuit of this purpose, we believe that preparation for Gospel ministry must be firmly rooted in the divinely inspired Holy Scriptures, which provide us with the knowledge of God and His will that is necessary and sufficient for our salvation, faith, and life. With that in mind, we have developed new ways of accomplishing our goal. Since timing is different for everyone, you can choose from the following:

Traditional 12 week Courses – Two hours a week for twelve weeks.

New "On-Line" Courses – Courses completed On-Line over a six week period.

New "TNT" Accelerated Courses – Three consecutive Saturdays, 8AM to 4PM with a light breakfast and lunch included!

True Light Fellowship faculty, staff, and administration share a single vision of an interconnected Creation, Fall, Redemption, and Consummation, with Jesus Christ at the center, and the people of God as the witnesses, agents, and models of God's purpose to make all things new. Taken together, these characteristics give True Light Fellowship School of Biblical Studies a mission in the world "Reaching to Rescue & Teaching to Transform." The Biblical School's job is to give particular passions and strengths back to the Holy Spirit who gave them, so that the Spirit may inspire students, faculty, and staff to declare God's purpose in the world and to make it their own.
